

2018 HSC Scholarship Application Guidelines

Kempsey Adventist School (KAS) believes in the development of the individual student in all facets of human endeavour; academic, spiritual, emotional, physical and social. KAS believes that these characteristics are best developed in a Christ-centred, serving and caring environment. We wish to encourage students in developing these essential characteristics, and attract students to our school that will strengthen and support our school culture in this direction.

The 2018 KAS HSC Scholarships may be awarded to a student who is enrolling into either Year 11 or Year 12 at KAS in 2018.

All applications are subject to specific criteria which the Frequently Asked Questions section below seeks to address. If you would like to find out more information about the KAS HSC Scholarship program, or information about our school generally, please feel free to contact the KAS Marketing Manager on 6562 7023 or visit our website at www.kas.nsw.edu.au

FREQUENTLY ASKED QUESTIONS

1. Under what criteria are the KAS HSC Scholarships awarded?

The scholarships may be awarded to a student who completes all elements of the application process and is able to demonstrate consistent application to academic performance, behavioural expectations, school community life and appropriate role modelling to others. Students will be assessed on information provided in all sections of the application form, including references, academic records, and response to questions.

2. Are there any conditions attached to the scholarships?

Yes. Scholarships are subject to a student maintaining a commitment to academic achievement, participation in school community events, provisions of an appropriate example and role model to junior students and a display of attitudes and behaviour which meets the expectations of the KAS Student Management Policy and Student Code of Conduct, **any such scholarship may be extended on a yearly basis**, subject to a twice yearly review process.

3. How much do these Scholarships cover?

KAS HSC Scholarships provide for full funding of the applicable year level school fees at KAS. That is, successful students will hold a fully-funded position at the school whilst they meet the ongoing expectations of the KAS HSC Scholarship program.

Hence, subject to the student maintaining a commitment to academic achievement, participation in school community events, provisions of an appropriate example and role model to junior students and a display of attitudes and behaviour which meets the expectations of the KAS Student Management Policy and Student Code of Conduct, any such scholarship may be extended on a yearly basis, subject to a twice yearly review process.

4. What will happen if a student fails to meet the expectations of the HSC Scholarship program?

If during the course of regular school events and/or in the course of the twice-yearly review process, a student is identified as failing to meet the expectations of the HSC Scholarship program, parents/guardians and the individual student will be notified in writing of the school's concerns.

In such an event, the School Executive may determine to either cancel the scholarship or alternatively impose a period of probation with or without attached conditions, to determine the given students suitability to continue as a scholarship holder. Any such decision by the School Executive to either cancel, impose a period of probation, with or without conditions, will be considered as final.

In the event that a scholarship is cancelled parents/guardians will then become responsible for the payment of applicable school fees less the portion of the year and or years covered by the applicable scholarship.

5. How do we apply?

- Read the Scholarship Guidelines carefully.

- Attach all relevant documents.
- Send the completed form and attachments to arrive at KAS by Friday 8 September, 2017.

6. Other Tuition?

However, due to the dedicated staff, structured classes and our Student Support Program, parents can be guaranteed of appropriate academic support for their student.

7. Success of your application?

Please note that there is no guarantee that your application will be successful. Each application is assessed on an individual basis, and students are accepted at the discretion of the KAS School Council. However we do have a generous number of scholarships for 2018 and encourage you to apply promptly.

8. Is there a cut off date for application?
