ANNOUNCEMENTS

KAS FETE AND OPEN DAY

Our school Open Day and Fete is less than two weeks away. This is a wonderful opportunity for community members to come in and see what great things are going on here, as well as for our school community to come and have fun together.

While your attendance is a great support, there are many other ways you can contribute to the success of the day. Some options are:

- Provide a donation for the silent auction. For example, chocolate basket, hamper, gift voucher, etc
- \$2 jars. These jars are always popular. We need as many as we can get. Simply fill a jar with goodies - toys, hair accessories, money, novelty items, etc and send into school anytime from now!
- Help manning stalls and activities. We need more parents to get involved. All teachers will be on deck for the day, but they will be involved running the Open Day and other logistical jobs. We need parents to help supervise activities and to help sell items. Please volunteer!
- Canteen help. Our canteen only works on the day if we have extra helpers in there. An hour or two of assistance given here would be wonderful.
- Make It, Bake It, Grow It - items to sell at this stall are always popular. If you are able to help with any of these options, please contact Mrs Lisa Hanrahan at school as she coordinates the day, along with the Home and School Committee (same as P & C in other schools).

BUSHDANCE

A big thankyou to everyone who helped make the Bushdance such a fun night. A special thankyou from Mrs Deanshaw in the canteen to all the parents and Yr 10 students who came and helped out.

NAPLAN- Years 3, 5, 7 & 9

These national tests will run on Tues 15-Thurs 17 May. Students in Years 3, 5, 7 & 9 can help themselves to achieve their best by having regular sleep of 8-10 hours, eating a low GI breakfast each morning (grains will slowly release their energy in your body, that is, oats, wheat, rice, etc), and regularly exercising to ensure the flow of blood is assisting their body to work well. Families can support their children with the above as well as by encouraging them to try their best in a positive way. The following website will give you an idea of the format of the test. You can also print the test samples to go through with your child: <http://www.det.nt.gov.au/parents-community/assessment-reporting/nap/schools/tests>. Please be reminded that this test is just a snapshot of your child's achievements. If you would like to discuss the tests at length with a teacher you can do so with your child's teacher, Mrs Walsh or Mrs Lesic. Please aim to have your child attend school on these days.
