KAS Learning Information Centre UPDATE

This is the first weekly Learning Information Centre update in which I will be keeping parents informed of what is happening in the centre, what is available, helpful websites and current technology tips.

The new Learning Information Centre is opened every day. Students are able to access the centre during their lunch and recess time.

The Centre is equipped with 12 computers and a large variety of books with new acquisitions on the shelves each week.

If you haven't visited the Centre yet please feel free to drop in for a look. It is a wonderful place to be!! Student work is displayed and there is always something different.

Last Wednesday was our first "Chess Day," enjoyed by many students in the primary and secondary school during their lunch break.

The rules are students must-

1. Start the game with a handshake and end with a handshake.
2. If you touch a game piece you must move it.

Our Learning Information Centre focus is -

RESPECT AND PROTECT

- Yourself

- Other people's property

EDUCATE YOURSELF- COMMUNICATE WITH OTHERS

If you have a spare chess set you no longer use or would like to loan to the school it would be appreciated.

Look out for our news again next week.

Keeping you informed.
