

From The Principal...

NAPLAN 2015 - A SNAPSHOT OF POSITIVE PROGRESS AT KAS

By now, families whose children participated in the Years 3, 5, 7 and 9 NAPLAN testing in 2015 should have received a letter containing a report on their child's assessment results. It is important to note that NAPLAN is a set of stand alone tests which may or may not accurately reflect a given child's level of competence or progress. When seeking to assess a child's competence, most school's and research authorities will use a range of data, including assessments such as NAPLAN to triangulate or map a child or class's progress to more accurately reflect progress and achievement.

Given that NAPLAN has now existed for a number of years, the real value of this assessment process is the fact that we can observe a child's progress over time. For example, the scaled growth score for an entire class between Year 3 and Year 5 allows us to measure more accurately the value add that a child has gained in the time between the two NAPLAN assessments. Whilst there is still the possibility of inaccurate scores with individual children, the chances of that occurring across an entire class is greatly reduced. Hence, when we look at class growth between assessment periods, we can reasonably assume that the data is accurate.

An assessment of scaled growth between assessments at KAS for the period 2013 to 2015 shows many areas of positive growth. The same data also shows a much smaller number of areas where the growth for students at KAS is slightly below the state average. This type of data assessment forms an important part of the school's internal processes of refining our teaching and learning as we better understand the needs of both individual students and classes.

Some examples include:

- Student growth at KAS in reading Year 3 (2013) to Year 5 (2015) was slightly below the average state growth, whereas student growth at KAS in reading Year 7 (2013) to Year 9 (2015) was above the average state growth.
- Student growth at KAS in writing Year 7 (2013) to Year 9 (2015) was below the average state growth, whereas student growth at KAS in writing Year 3 & 5 (2013) to Year 5 & 7 (2015) was well above

the average State growth.

- Student growth at KAS in spelling Year 3 (2013) to Year 5 (2015) was slightly above the average state growth, whereas student growth at KAS in spelling Year 7 (2013) to Year 9 (2015) was slightly below the average state growth.
- Student growth at KAS in grammar and punctuation Year 5 (2013) to Year 7 (2015) was slightly below the average state growth, whereas student growth at KAS in grammar and punctuation Year 7 (2013) to Year 9 (2015) was well above the average state growth.
- Student growth at KAS in numeracy Year 3 (2013) to Year 5 (2015) was slightly below the average state growth, whereas student growth at KAS in writing Year 5 & 7 (2013) to Year 7 & 9 (2015) was well above the average state growth.

Whilst the above examples show real growth trends that are very useful in helping to inform both the school and families in regards to overall student growth, they also highlight the complexity of learning and achievement that can occur across the span of a given child's educational journey.

KAS is committed to using the data gleaned from sources such as NAPLAN, the ACER PAT tests and other valuable assessment tools to regularly evaluate the health of the school's learning programs. Your participation, as partners in your child's education, is most welcomed. Please feel welcome to contact either myself, Mrs Pearce (Deputy Principal – Primary) or Mrs Lesic (Deputy Principal – Secondary), or your child's class teacher, if you would like further information regarding your child's individual NAPLAN results or the school's overall level of growth.

Mr Rohan Deanshaw
KAS PRINCIPAL

ALL SCHOOL ANNOUNCEMENTS

CAVANAGH'S BUSES

The Cavanagh's drivers have tightened up on students getting on a different bus without a note. Twice this week students have been not allowed to board a bus because they didn't have a note from their parent e.g. to get off in town for dancing or football training or to catch the bus to a friend's house.

Please note that even if a child has a Cavanagh's bus pass, it doesn't allow them to get on 'any' Cavanagh's bus. The buses also have load limits.

If you would like your child to be dropped off somewhere else you must provide a signed note for the driver.

PRIMARY SCHOOL ANNOUNCEMENTS

YR 1 CHAPEL THIS WEEK

Yr 1 will be performing this week in chapel. Parents and other interested family members are always welcome.

FARM VISIT AND PICNIC

On Wednesday the 9th September, the Kindergarten classes will be going on an excursion to the Agriculture Farm at Kempsey High School to experience real life farm animals. We will be starting with a picnic lunch and then feeding and patting the animals. Students will leave school by bus at 11:30AM and will return at 1:45PM. They need to wear their sports uniform and bring along their hat, sunscreen, a drink and their lunch.

ICAS SPELLING

Congratulations to Christopher Green who earned a Credit in the recent ICAS Spelling Assessment.

SCIENCE DAY IN PRIMARY SCHOOL

On Thursday 3rd September the primary school is being visited by Dr Lynden Rogers from Avondale College who will be presenting an all day Science Day in the LIC to Pre-Kindy to Year 6. Three Avondale College students (Bachelor of Teaching) will be helping out on the day.

TERM OF READING

Don't forget that there is still time to enter the 'Make a picture book' competition. Simply make a book (using digital technology if you like) based on your pet. Hand it to Mrs Hardy (or Mrs Ball) in the LIC before the closing date of 11th September at 9:15am.

Read without guilt! Do you ever just sit down and read a book or a newspaper when your children can see you? I know that there are a million things to do at home, but sometimes take time to relax with a book so that your children can see how much you enjoy and value reading too. If the guilt strikes, just think that you are being a great role model and teaching them that reading is fun!

YR 2 EXCURSION TO TIMBERTOWN

Year 2 are going to Timbertown on Thursday the 10th of September (Week 9). Children need to have their permission note to their classroom teacher by Tuesday the 8th of September (Week 9).

SECONDARY SCHOOL ANNOUNCEMENTS

YR 10 SUBJECT SELECTION (YR 11 in 2016)

The process of meeting with students and their parents/carers was a successful process with many students gaining direction as to possible career pathways they would like to explore. All completed sheets should now be returned to school so that the 'lines' can be finalised, with the final subject selection form being sent home by the end of next week.

YR 8 & 9 SUBJECT SELECTION (YR 9 & 10 in 2016)

All forms for choosing subjects for electives in Years 9 & 10 in 2016 are now overdue. If your young person requires another copy, they may obtain this from Mr Afele, the front office or Mrs Lesic.

YR 12 STUDY WEEK

All Year 12 students are reminded that Tuesday 6 October- Friday 9 October will be a study week with tutorials run by staff for the various subjects. Breakfast and lunch will be provided, with students having commitments for the school day. A timetable of sessions being run will be given to students by the end of next week.

YR 12 FINALE CHAPEL

Parents/carers/families of students in Year 12 are invited to attend the final Year 12 chapel on Friday 18th September at 11:05am. This is an excellent way to affirm your young person, and we look forward to seeing you there.

WOLLOTUKA INSTITUTE EXCURSION

All indigenous students in Years 10-12 are invited to attend the Open day visit at Newcastle University that will occur this Thursday 3 September. Mrs Lesic has more information, please see her.

MANUFACTURING AND ENGINEERING EXPO

Students in Years 10 & 11 have been invited to attend the regional Manufacturing and Engineering Expo this Thursday 3 September. As part of the expo, there will be a talk by **Marita Cheng**. She was the **2012 Young Australian of the Year** and is a technology entrepreneur and women in technology advocate. On a day-to-day basis, Marita works as the founder and CEO of 2Mar Robotics doing mechanical engineering. 2Mar Robotics aims to bring robots that help us in our day-to-day lives into the world. The company began by creating robotic arms for people with limited upper limb mobility. These robot arms are controlled by iPhone, Android phone and two different head-gyroscopic interfaces. Students who are interested in attending this expo must see Mr Afele or Mrs Lesic no later than Wednesday 2 September.

YR 10 WORK EXPERIENCE

All Year 10 students were given a letter outlining the Year 10 Work Experience process for this year including finding placements. Please complete the slip that was attached and return this to school by next Monday 7th September.

PLACEMENTS FOR YR 10 STUDENTS FOR WORK EXPERIENCE

KAS is seeking to find work placements for students in Year 10 for Monday 23rd- Friday 27th November. If you work in a business that is willing to have a student placed with them for a week, would you mind contacting Leanne Lesic on llesic@kas.nsw.edu.au or call the front office and leave a message for Leanne.

Yr 12 PARENT TEACHER STUDENT INTERVIEWS

The Yr 12 Parent Teacher Student interviews will be held on Monday 14th September in the Learning Information Centre (LIC) from 5PM - 6PM. These interviews will be combined with the University Admission Centre (UAC) information session and students and parents (caregivers) will have the opportunity to get some information regarding how to gain admission to university. In order to book your interviews, go to www.schoolinterviews.com.au and use the code W6BCP.

YR 11 SEMESTER TWO EXAMINATIONS

The timetable for these exams is provided in this newsletter. They will be held from 9-15 September. Please ensure your child is working towards success.

SCULPTURE IN THE GAOL

This year the creative arts department has two student entries in the 'Sculpture in the Gaol' competition. It runs from the 9th of August to the 5th of September.

Winners will be chosen by popular vote by the viewer. That's why it would be great if Kempsey Adventist School could rally around our students and give them our support by voting for either Willow Cairncross and her 'Emu' entry or Angel Honnery and her 'Octopus' entry. Winners will be announced on the 5th September at 1 pm.

Rewarding regular savers with amazing prizes.

We're bringing the exciting news that an intergalactic Prize Portal has appeared on Planet Savings, giving students who demonstrate good savings behaviour the chance to win amazing prizes.

- 75 x iPad minis Wi-Fi 16GB
- 125 x Beats by Dr. Dre Solo³ Headphones
- 200 x \$30 Booktopia Gift Certificates

Help the Dollarmites activate the Prize Portal for a chance to win
To activate the Prize Portal, students must simply make three or more School Banking deposits during Term 3 and they will automatically be entered into the competition for a chance to win one of hundreds of prizes. Students can also complete a Money Mission at commbank.com.au/prizeportal to double their chance of winning a prize. (Please note, students can start the Money Mission at any time, but are required to make three deposits by the end of Term 3 to double their chance of winning).

Win books for your school library
We're also giving schools participating in the School Banking program a chance to win one of 75 sets of children's books for their school library, valued at \$200.

For more information, visit commbank.com.au/prizeportal

Things to know before you Can: Conditions apply, see commbank.com.au/prizeportal. Promotion starts 9.00am AEST 13/7/15 and ends 11.59pm AEST 25/9/15. Student Element. Entry is open to all YouSaver customers aged 4-13 years. 1 entry received when 3 deposits are made through the School Banking Program. 1 bonus entry received when completing a Money Mission activity at commbank.com.au/prizeportal and submitting a fully completed entry form. Max. of 2 entries per person. Entries will be divided into the following State/Territory groups: NSW/ACT, Vic, SA/NT, Tas, Qld and WA. A total of 400 prizes comprising 75 iPad mini Wi-Fi 16GB space grey tablets valued at \$299 each, 125 Beats by Dr. Dre Solo³ On-Ear Headphones valued at \$259.95 each, and 200 \$30 Booktopia Gift Certificates, will be distributed amongst the State/Territory groups. The winners' names will be published in the public notices section of The Australian on 23/10/15. School Element. Entry is open to all schools operating in Australia who participate in the School Banking Program and have at least 1 student entered into the Student Element of this promotion. Limit of 1 entry per school. Entries will be divided into the following State/Territory groups: NSW/ACT, Vic, SA/NT, Tas, Qld and WA. What's the Joke?

School holidays are just around the corner – don't sit at home wondering what to do. Come along to Kempsey Library on Wednesday 23 September from 2.30pm to

3.30pm and join us for a fun afternoon with Andy Jones. Andy is a best selling children's author and entertainer who uses music and other props to present his message that reading is fun!

With a swag of best selling books under his belt including the *Enormous Book of Hot Jokes for Kool Kids*, *The Burp-ionary*, and *The Adventures of Scooterboy & Skatergirl*, Andy is sure to keep everyone amused with his side splitting comedy show.

This is a FREE session for children aged 6 to 14 years, however spaces are limited. Please call Kempsey Library on 6566 3210 to secure your place.

Annual School Survey 2015 - if we have your email address, you should have been sent a link to a school survey to complete on Wednesday 26 August. We appreciate you spending a few minutes helping us to continue make KAS even better!
