#### ALL SCHOOL ANNOUNCEMENTS

##### SCHOOL PHOTOS

Our school photos will be taken on Wednesday 23 July. Please ensure that students arrive on time and that they are in their full dress uniform.

All students (K-12) receive a set of photos which were included in the school fees. Pre-Kindy students who would like a set of photos, along with anyone who would like a sibling photo taken, need to collect an envelope from the office to complete, include payment and return to the office prior to the photo day. Any questions about the photo system can be made to Mrs Harvey in the school office.

Pre-Kindy and Sibling photos will be taken first thing in the morning.

##### WORKING WITH CHILDREN CHECKS

Once again we are reminding parents who wish to volunteer in the school that they need to have a WWCC number. Even if you wish to do something such as come along on an excursion you need a WWCC. Once you have obtained this number please show the ladies in the school office.

##### NEWSLETTER GOING ELECTRONIC

The administration of the school have decided that as of the start of Term Three the newsletter will no longer be published in paper format. Parents will be able to receive a newsletter through email, the school website or the KAS Skoolbag app on their iPhones or smart phones. Lately, you should have been receiving an email each week with the newsletter attached. If you haven't been receiving it, let us know your email address as we may not have it on our data base. The school website is [www.kas.nsw.edu.au](http://www.kas.nsw.edu.au) and the newsletter is usually posted on Tuesday afternoon. If you haven't got our Skoolbag app just go to your app store and search Kempsey Adventist School Skoolbag.

In the event that families have no access to internet, they can request a copy of the newsletter sent home with their child. To do this please contact our school office.

Thank you for supporting us as we seek to be more efficient with the resources we have.

##### SUBJECT SELECTION YR 8 GOING INTO YR 9 IN 2015

Early in Term Three, information about choosing elective subjects in Year 9 in 2015 will be sent home for families to consider. Any parents/ caregivers and students who require further information are welcome to make an appointment time with Mrs Sharon Ison (Stage 4 Dean) at the Parent Teacher Student interviews on 21 July to discuss possible choices. Please follow instructions on how to book.

##### SUBJECT SELECTION YR 10 GOING INTO YR 11 in 2015

This year, all Year Ten students along with their families, are invited to make an appointment with a dean to discuss career pathways and subjects to choose in 2015. In past years we have held an evening, which some families have been able to attend. This year, we would like to provide a more personalized service. Mr David Afele, as the Stage 5 Dean, will be coordinating the deans and Mrs Lesic, as Assistant Principal will also be available to meet with families from 28<sup>th</sup> July-15<sup>th</sup> August 2014. More information will be coming early in Term Three detailing how to book a time.
