

## Years 10-12 2024 Leadership Scholarship Application Guidelines

Kempsey Adventist School (KAS) believes in the development of the individual student in all facets of human endeavour; leadership, academic, spiritual, emotional, physical and social. KAS believes that these characteristics are best developed in a Christ-centred, serving and caring environment. We wish to encourage students in developing these essential characteristics and, attract and retain students to our school that will strengthen and support our school culture in this direction.
