Kempsey Adventist School (KAS) believes in the development of the individual student in all facets of human endeavour; academically, spiritually, emotionally, physically and socially. KAS believes that these characteristics are best developed in a Christ-centred, serving and caring environment. We wish to encourage students in developing these essential characteristics and attract students to our school that will strengthen and support the direction of our school culture.

The Sports Scholarship may be awarded to a student in Year 3 – 12 who displays outstanding ability in sport and consistently demonstrates good sportsmanship.

All applications are subject to specific criteria which the '*Frequently Asked Questions*' section below seeks to address. If you would like to receive more information about our school or the KAS Scholarship program, please feel free to contact us on (02) 6562 7023 or visit our website at www.kas.nsw.edu.au.

FREQUENTLY ASKED QUESTIONS

1. Under what criteria are the KAS Sports Scholarship awarded?

The scholarships may be awarded to a student who completes all elements of the application process and is able to demonstrate sporting abilities, sportsmanship, behavioural expectations, school community life, respect for our Christian ethos and appropriate role modelling to others. Students will be assessed on information provided in all sections of the application form, including references, academic records and responses to questions.

2. Are there any conditions attached to the scholarships?

Yes. Scholarships are subject to a student maintaining a commitment in a number of areas. These include submitting assessments and show effort towards learning, participation in school community events as well as respect for the Christian ethos of the school. Further to this, it is expected that the applicant will be an appropriate example and role model to junior students and will display an attitude and behaviour which meets the expectations of the KAS Student Management Policy and Student Code of Conduct. This is subject to a twice-yearly review process. This is a one-year scholarship which can be reapplied for in 2024.

3. How much do these Scholarships cover?

The KAS Sports Scholarship covers a full term of school fees for the scholarship recipient. Successful applicants will be subject to a twice-yearly review process. Their continuation of the scholarship will be subject to the student maintaining a commitment to academic achievement (trying your best), participation in school community events, respect for the Christian ethos of the school, provisions of an appropriate example for junior students and a display of attitudes and behaviour

which meets the expectations of the KAS Student Management Policy and Student Code of Conduct.

4. What will happen if a student fails to meet the expectations of the KAS Sports Scholarship?

If during the course of regular school events and/or in the course of the twice-yearly review process, a student is identified as failing to meet the expectations of the KAS Scholarship program, parents/guardians and the individual student will be notified in writing of the school's concerns.

In such an event, the School Executive may determine to either cancel the scholarship or alternatively impose a period of probation with or without attached conditions, to determine the given student's suitability to continue as a scholarship holder. Any such decision by the School Executive to either cancel, impose a period of probation, with or without conditions, will be considered as final.

In the event that a scholarship is cancelled, parents/guardians will then become responsible for the payment of applicable school fees less the portion of the year and or years covered by the applicable scholarship.

5. How do we apply?

- Read the Scholarship Guidelines carefully.

However, due to the dedicated staff, structured classes and our Student Support Program, parents can be guaranteed of appropriate academic support for their student.

Yes. These scholarships are for study in 2024. Hence, it is necessary to act promptly if you wish to be considered for a scholarship. **Applications close 3:30 PM Friday, 20 October 2023.**

8. When will we be notified of the result of our application?
