

KEMPSEY  
ADVENTIST SCHOOL

*Uniform  
Guidelines*

# Uniform Guidelines

## ***Rationale***

Kempsey Adventist School has many fine traditions, one of which is the wearing of the correct school uniform. This has been fully endorsed by the School Council and is strongly supported by the school staff and administration. Students should be aware that uniforms, worn with pride, reflect well on themselves, their family and their school.

When families choose to become part of our school community it is expected that they will accept the school's uniform guidelines. These uniform expectations apply during school hours, while travelling to and from school and when students are on school excursions. This includes hair, jewellery and makeup standards.

## ***Uniform, neatly worn, is strongly encouraged because:***

- It makes a statement that our Kempsey Adventist School community cares about standards and that we are a school in which “near enough” is not good enough. It encourages identification with our school and the development of school spirit which is essential for us to be an effective learning environment
- It reinforces the concept of community – of students, staff and parents working together for the benefit of all and it removes distractions and competition about clothes, which can be stressful to students
- It provides an economical means of clothing students during school years
- It reflects the reality of the workplace, where business and industry expects that corporate uniforms will be worn neatly and with pride
- It covers basic health and safety requirements for schools as workplaces
- It provides easy identification on excursions and outings, enhancing the safety of students
